**The SMA seminar:
MARITIME ARBITRATION IN NEW YORK**
Will take place as an ONLINE PROGRAM in 2021

**THE SMA IS PLEASED TO ANNOUNCE THAT THE SEMINAR
PROVIDES 12 HOURS OF CLE
THROUGH THE MARITIME LAW ASSOCIATION**

The Maritime Law Association of the United States (“MLAUS”), is an accredited New York provider of Continuing Legal Education (“CLE”) and is a co-sponsor of the 2021 SMA Arbitration Seminar for purposes of CLE credits.

The Program will be appropriate for both newly-admitted attorneys (transitional) and experienced attorneys (non-transitional) and the complete Program will qualify for 12 New York CLE credits in “Areas of Professional Practice.”

Attorneys admitted in a state other than New York may be entitled to CLE credits for attending the program and should consult with their state’s CLE authorities.

For attendance verification, the instructor will announce CLE codes during each zoom meeting for attendees to include in their attorney affirmations.

CLE financial assistance is available for MLAUS members and New York attorneys whose annual income falls within the current guidelines. Financial aid is applicable to registration fees; however, it does not apply to expenses for transportation, meals, or accommodations. Applications for financial aid should be submitted no later than February 11 to the MLAUS CLE Committee Chair, Brian Eisenhower, who may be contacted for further information at 212-669-0617 or beisenhower@hillrivkins.com.

THE SEMINAR PROGRAM:

For 15 years the Society offered the seminar “MARITIME ARBITRATION IN NEW YORK” as a traditional lecture program in a conference room setting. With the restrictions and concerns existing today, the program will move ONLINE in February and March 2021.

The program will consist of live video sessions with Professor Weiss and the SMA Education Committee. This seminar is offered to help further and promote the fair, just, ethical and cost effective resolution of charter party and other maritime disputes by arbitration in New York.

The traditional 12 hours of instruction will be offered over four consecutive Thursday interactive video sessions of 3 hours. Course materials will be distributed by internet. Schedule as follows:

ONLINE VIDEO SESSIONS	MEETING TIME
THURSDAY FEBRUARY 25	1300 EST TO 1600 EST
THURSDAY MARCH 4	1300 EST TO 1600 EST
THURSDAY MARCH 11	1300 EST TO 1600 EST
THURSDAY MARCH 18	1300 EDT TO 1600 EDT

While past attendees have traveled to the seminar from South America, Africa, Canada, Europe and major maritime centers in the U.S., this new format makes that unnecessary, reducing travel expenses and time out of the office

The seminar will include topics essential to those involved in the arbitration process whether they are arbitrators, participating parties or attorneys. Topics include Arbitration Overview, Commencing the Arbitration, the Federal Arbitration Act (FAA) and SMA Rules, the Arbitration Award, Interim Awards, Final Awards, Majority Decisions, Dissenting Opinions, Confirmation, Vacatur and Enforcement of Awards, Panel Member and Ethical Considerations, Discovery in Aid of Arbitration, Hearing Procedures, Security in Aid of an Award, Evidentiary Considerations in Arbitration, the Federal Rules of Evidence, Laches, Time Bar, Defaults, Mediation and Consolidation of Arbitrations.

Jeffrey Weiss, Esq., Professor of Maritime Law at New York Maritime College, with 35 years of college and graduate-level teaching experience, will again be the lead instructor joined by members of the SMA Education Committee.

SEMINAR CRITIQUES FROM PREVIOUS ATTENDEES:

- *“The presentation as well as the printed material are of high quality and well laid out. I thoroughly enjoyed it and learned a lot about the underlying law and legal considerations. Jeff’s skillful presentation certainly made it most enjoyable. These were two days well spent.”*
- *“Thanks very much for a very interesting and informative two days. Since I have not been involved with arbitrations for about twenty-five years, I found the course extremely useful, both to see how much I had forgotten as well as to learn how much has changed in the meantime. It was gratifying to sit with such informed, interested and experienced fellow students...”*
- *I would also like to express my thanks and high praises to the SMA. Not only did I find the two day course very informative, but the additional comments provided by my fellow students...were very helpful in regards...to shipping in general. For someone new in the industry, it was a very valuable learning experience.”*

WHO SHOULD ATTEND:

This seminar will be especially valuable to business professionals who are users of the arbitration process from issues arising under their company’s contracts and charter parties. Attendees from shipowners, charterers, vessel operators, maritime claims adjusters, salvors, ship brokers, oil and chemical companies, insurers, traders and export/import companies should find the seminar an efficient way to gain an understanding of the current practices in New York maritime arbitration proceedings. In 2020 there were more than 200 arbitrator appointments reported to the SMA.

The seminar will also be uniquely beneficial to newly admitted maritime attorneys or lawyers with less than two years practical experience or those seeking a more comprehensive understanding of the process.
